FELIX 168

The clever single level design is ingeniously zoned, with all of the bedrooms on one side of the home and living on the other. So when the kids are in bed – that’s where they stay, even when you are entertaining! The well-placed kitchen opens hospitably onto the living and dining areas, and there’s the bonus of a separate study.

KENSINGTON 327

The ingenuity behind the Kensington range reflects the common demands of many home buyers; functionality, elegance and utilising every space in a savvy way – a modern two-story home to not only move into, but grow into. With three roomy living areas, four large bedrooms and a well-designed kitchen equipped with a huge walk in pantry, this home is the perfect choice for families looking to enjoy a more spacious, comfortable home.
