

STOCKHOLM 304

Fabulous family living is the hallmark of this stunning four bedroom design. Upstairs is dedicated to private time – the master suite with an integrated private space where parents can unwind, adjoined by a large retreat and a convenient study nook. Downstairs the generously-sized media room is at the front of the house, there's a separate study, and the well-designed kitchen, dining and living area flows seamlessly out to the entertaining space at the rear.
