# NEWPORT 297

A superbly spacious interpretation of family living all on one level, this floorplan has it all: four bedrooms, including master suite with walk-in robe, children's rooms grouped around a separate retreat and private study. Key to it all is the open plan living, kitchen and dining space, connecting seamlessly with the expansive alfresco living area.

# ZEUS 363

The best of contemporary architecture combines with intelligent design thinking in this two storey home. Five bedrooms, including a grand master suite with a massive walk-in robe, are upstairs. There's also a well-placed kids' retreat. Downstairs there's a large study, a walk-in pantry and integrated open plan living spaces tempting you out to the alfresco area.
