LENNOX 337

This dazzling 4 bedroom design showcases multiple living spaces ideal for both family fun and private moments, an upstairs rumpus room the kids can call their own, a master suite with a huge walk-in robe, and study areas on both levels. At the heart of it all, the entertainer's kitchen is the hub around which the dining room, family room and outdoor living area are gathered.

OSLO 304

Life revolves around the central core of the four bedroom Athena design, with the kitchen, dining and family room all seamlessly connected to the outdoor living and entertaining space. There's a media room to watch your favourite movies, a separate study, a kids' retreat and a generously sized master suite positioned for peace and privacy.
