As a family owned and operated business, we understand that building your own new home is so much more than choosing a floor plan, colours, bricks and mortar. It's about the experience, and the exciting journey you're embarking on. Creating your dream and a place to enjoy a life that fulfils all desires.

Our pledge to you is innovative home designs, contemporary and timeless style, exceptional customer service and build quality.

Every Bold Living home is backed by our 25year structural guarantee. We choose only to use quality materials and trusted trades people, allowing us to be recognized as an industry leader. You can be completely confident that you've made the right decision building with Bold Living, letting us create a home that proudly stands the test of time.

We give you the freedom to pick and choose the features, finishes, appliances and styles you prefer from our Smart, Contemporary, Sanctuary and Saba design collections, and incorporate them into the home you're going to love. It's all about personality and individuality, and nobody makes it easier than Bold.

ULTRA CARE

Customer service is so much more than a slogan to us at Bold Living. We build every home with care and quality in construction, that others simply cannot match. Every member of the Bold Living team shares our love of the business and commitment to excellence. That commitment continues well after you've moved in, with our specialised Ultra Care team ready to serve you even after your home is complete.

FIXED PRICE

Getting a quote to build your new home can be challenging and even a bit confusing. Especially when each builder offers something different and none of them can tell you how much a house will actually cost to build. We do things differently. Our experienced sales team has all the information at their fingertips to give you a fixed price quote, on the spot, for any of our standard designs. All you have to do is ask. We don't require a deposit and we won't take weeks to get back to you.

QUALITY ASSURANCE

As you set out on the exciting journey that is building a new home, it is reassuring to know that Bold Living has systems and check procedures in place every step of the way. Like our 150-point quality check carried out by our experienced quality assurance team during construction covering all internal and external aspects of your home. With personalised reports and the opportunity to be present during inspections, we guarantee your new Bold Living home is completed to the highest standard of quality and workmanship.

Choose a Bold Living Turn Key package and your new home is fully finished and ready to move into, complete with everything you need to live comfortably.
