NEWPORT 297

A superbly spacious interpretation of family living all on one level, this floorplan has it all: four bedrooms, including master suite with walk-in robe, children's rooms grouped around a separate retreat and private study. Key to it all is the open plan living, kitchen and dining space, connecting seamlessly with the expansive alfresco living area.

ZEUS 363

The best of contemporary architecture combines with intelligent design thinking in this two storey home. Five bedrooms, including a grand master suite with a massive walk-in robe, are upstairs. There's also a well-placed kids' retreat. Downstairs there's a large study, a walk-in pantry and integrated open plan living spaces tempting you out to the alfresco area.
