15 years of building with certainty in Queensland.

15 years ago, Bold Living began building homes across Southeast Queensland with a simple focus – quality, flexibility and certainty.

Since then, we've delivered more than 3,000 homes, refining our systems and pricing to reduce risk and remove surprises for our clients.

Today, we continue to offer guaranteed fixed price contracts, fixed site costs and transparent inclusions – giving Queensland families confidence at every stage of their build.
