BOLD LIVING

create your dream

Bold Living builds beautiful homes that bring dreams to life, creating places families will love. Every Bold home makes a unique statement, thanks to contemporary design, attention to detail, flexibility and quality in construction.

As a family owned and operated business, we understand that building your own new home is so much more than choosing a floor plan, colours, bricks and mortar. It's about the experience, and the exciting journey you're embarking on. Creating your dream and a place to enjoy a life that fulfils all desires.

FELIX 166

The clever single level design is ingeniously zoned, with all of the bedrooms on one side of the home and living on the other. So when the kids are in bed – that’s where they stay, even when you are entertaining! The well-placed kitchen opens hospitably onto the living and dining areas, and there’s the bonus of a separate study.
