BOLD LIVING

create your dream

Take Your Dream Home to New Heights

Free 2740mm Ceiling Height Upgrade

Create a more open and elevated feel in your new home with a free 2740mm ceiling height upgrade to the ground floor of your double storey home.

This limited time offer adds a greater sense of space throughout your main living areas, helping your home feel more generous, refined and beautifully considered from the moment you walk in.

Available for a limited time only

Available on the ground floor of all eligible double storey home designs.

Available from 3rd November to 31st December 2026. This offer is in addition to our current inclusions campaign.

Speak with a Bold Living New Home Consultant to confirm your eligibility and secure your preferred upgrade before the offer ends.

Terms and conditions apply. Offer is available from 3rd November to 31st December 2026. Available on the ground floor of eligible double storey home designs only. Offer cannot be used in conjunction with custom design changes unless approved by Bold Living. Speak with a Bold Living New Home Consultant for full details.
