The Sorrento Collection is the latest addition to our Saba Living by Bold range. A contemporary masterpiece, this home is perfectly designed for the gracious Queensland lifestyle. Coming in through the imposing entry door, you're welcomed by light-filled voids, before moving on to a relaxed sitting room, the fifth bedroom with private ensuite and study space. The open plan kitchen, with butler's pantry, is at the centre of the residence, looking out through bi-fold doors to the expansive outdoor living space.
