Paddington 365

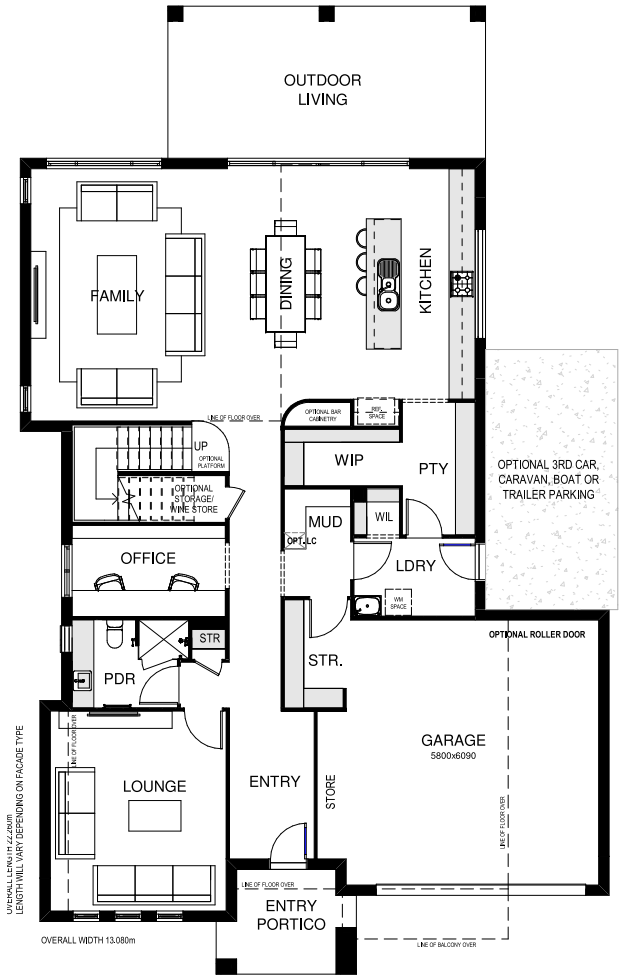

Designed for families who want space without compromising on style, the Paddington 365 brings everyday living and entertaining together beautifully. Expansive open-plan kitchen, dining and family areas connect seamlessly to the outdoor living space, while a separate lounge, home office and upstairs retreat provide room to unwind. Four generous bedrooms, including a spacious master suite, thoughtful storage, a walk-in pantry and practical mudroom make this 365m² design as functional as it is impressive.
